

# **NHS DIABETES ADVICE**

**NHS England and NHS Improvement have launched a new helpline in response to disruption to normal diabetes services due to the COVID-19 pandemic and response.**

**The service is for adults living with diabetes who use insulin to manage their condition and require immediate clinical advice.**

**Whether you or a member of your household has caught the virus, or routine care has been disrupted, the helpline is available for immediate clinical advice to help you understand how to effectively manage their diabetes.**

**You can access NHS Diabetes Advice via Diabetes UK's support line on 0345 123 2399 Monday-Friday from 09:00am-18:00pm.**
